

THE HOWLER

"KEEP MOVING, NEVER STOP IMPROVING."

A MESSAGE FROM OUR PRINCIPAL

#HMSTOGETHER

Huskies,

Happy Friday! While tomorrow (Saturday, November 11) is the actual Veterans' Day, today is the Federally observed Veterans' Day. Regardless, to all our parents who served, thank you for your sacrifice. I would be remiss if I did not recognize the veterans on staff at HMS, Mr. Smith, 8th Grade Math; SFC Merritt, JLC; and me (Principal Jones).

We have had a good week this week. Monday, we had our first Curriculum Night following the posting of the 2nd 6-Week Progress Reports. Curriculum night enabled teachers to present the concepts and topics being covered over the next six weeks. We look forward to more of this as the year progresses.

Tomorrow our Academic Team looks to defend their titles from last year with their first competition of the year. We are looking forward to our Winter Sports starting Monday. Basketball will play at CGTC and Wrestling has an intrasquad scrimmage in the gym. Our eSports team is practicing and getting ready for their season as well. We are looking forward to all the competitions and all our teams winning!

We are very excited to have HMS represented on the All-County Football, Softball, and Volleyball Teams. Football players named are Elijah Armstead-Jackson, Noah Respert, Zehki Jackson, Eu'Onice Brown, Jacorey Wallace, and Jamus Gibson. Softball players named are Jianna Dawkins, Daleigh Davis, and Skylar H. Jackson. Volleyball players named are Valentina Pennington, Zoey Collins, and Sylar N. Jackson.

We have Write Score Testing coming up next week. Please make sure your student is present to take the assessments. Also, as a reminder, November 17, is an Asynchronous Day for students. Teachers will have assignments and will be distributing as we get closer to next Friday.

We appreciate your support and are looking forward to seeing you soon at an HMS event!
-Principal Jones

4 STORY TIME

This week some of our Husky Students got the opportunity to do a food tasting at our Professional Learning Center.

Students were able to taste and rate the food. This is a chance for our school system to partner with a few vendors who can work to upgrade or make changes to our daily nutritional menus.
