

THE HOWLER

"KEEP MOVING, NEVER STOP IMPROVING."

A MESSAGE FROM OUR PRINCIPAL

Huskies,

This has been a short week. It has been an eventful week. We are so excited to be sending this newsletter to you each week! We hope that you are finding it informative.

This newsletter, as I stated in the first edition, is a student lead effort by Ms. Mallett's Connections Classes. We are going to be adding some additional features starting next week. Look for a section on Family Engagement from our Counselors; an introduction to staff where the students will introduce you to the staff at HMS! We will keep my weekly blurb but I plan to start introducing more of the items we are working on at HMS.

Currently, we are working on have 95%+ students in attendance every day at HMS in August we had 94.25%. 7th Grade had the highest daily attendance with 94.70%. 6th Grade had the lowest with 93.68%! This means try not to miss school, but when you are out, bring in an excuse within 3 days! We are also working on Math proficiency and Reading Proficiency. Look for more information on both of those in the weeks ahead.

Don't forget our first Open House September 19 from 5:00 pm to 7:00 pm. We are looking forward to seeing then. I have been asked to let everyone know our Yearbook will go on sale starting soon and you will see the notice in an upcoming edition of the Howler!

In the meantime, if you have questions, please reach out to your child's counselor or grade level administrator!

Tony Jones, Ed.S.
Principal
